Dear Ms. Northey:

On behalf of the Foundation, I want to thank you for the remarkable job you have done in moving the germ of an idea imported from New York to your Canadian-based expression of an important vision for disadvantaged single mothers.

I had the opportunity to see first hand the integration of services under one roof and the staged process beginning with education and ending with a job. The passion and commitment you demonstrated through Beatrice House and the tenacity, with which you dealt with the external challenges of such a venture, will stand Beatrice House in good stead as it faces its next phase.

Best wishes for continued success.

Sincerely,
