To Whom It May Concern:

Miss Brenda Northey was employed by the Heart and Stroke Foundation of Ontario on a contract basis from December 5, 1988 to February 28, 1989.

Brenda was the Show Manager for our most successful fund raising event "From the Heart...A Gala on Ice". Her role encompassed co-ordinating the entire logistics of the skating show in conjunction with the producer and the volunteer committee. She liaised with the corporate sponsors, the facility and the staff of the Foundation.

Her excellent organizational and management skills were reflected in the show's excellent results - 12,000 persons in attendance at Maple Leaf Gardens netting a revenue of \$337,000. Brenda's enthusiasm and good humour was appreciated by all.

I am happy to recommend her in a similar capacity to any future employer.

Yours sincerely,

Richard K. Gallop
Executive Director
